

VSL, the National Metrology Institute (NMI) of the Netherlands declares that the Calibration and Measurement Capabilities of the calibration test facilities named in this certificate are granted until the expiration date of the CMC certificates to:

Emerson Process Management Flow Technologies Co., Ltd

No. 111 Xing Min South Road | Jiangning District | Nanjing, Jiangsu Province, 211100 | China

During the CMC certification process it was demonstrated that the test facilities named in this certificate apply to the following requirements:

- All instruments in the test facilities are traceable to international accepted measurement standards,
- The calibration models (equations) are correct,
- The Calibration and Measurement Capabilities (CMC) are calculated according the JCGM 100:2008 "Evaluation of measurement data - Guide to the expression of uncertainty in measurement",
- A set of procedures is in place to maintain the CMC for the period of validation.

LF.2008.08.0004

granted on 25 January 2021

This declaration is valid until:
28 October 2022

The CMC certification has been granted for the first time on:
12 August 2008

The CMC certification is valid for the following test facilities:
TSGCNG, VSL CMC certificate number 39333752, valid until 28 October 2022

Manager Liquid Flow Metrology VSL, F.M. Smits
